Remember to delete or hide this layer.

Bleed Area
Anything here will be trimmed off, but remember to let background colours and images flow the through and to the end of this area to ensure you don't have white borders.

Safe Area
Keep all your information inside the white area. But let background colours and images go beyond this so you don't have white borders

Trim
Your job will be cut on the solid black line, any images or text placed beyond this area will be trimmed off.
